

Science Curriculum: Whole School Long Term Plan

Key science concepts and working scientifically skills are taught according to the following whole school long term plan:

Science	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Year 1	Humans and animals Plants	Season: Autumn Animals	Season: Winter Animals	Plants Season: Spring	Materials	Season: Summer
Year 2	Humans, animals and plants Living, dead and never been alive	Season: Autumn	Materials	Plants	Animals: Offspring and spring walk Animals: Hygiene, food and exercise	Season: Summer
Year 3	Forces and magnets		Rocks	Animals, including humans	Plants	Light
Year 4	Electricity	Habitats week States of matter	Sound	Habitats week	Animals, including humans	Living things and habitats Habitats week
Year 5	Materials and their properties		Forces		Earth and space	Living things and habitats Animals, inc humans
Year 6	Animals, including humans	Light	Living things and their habitats		Evolution and inheritance	Electricity
