Y3

You will be introduced to the French alphabet, French vowels and learn how to pronounce the graphemes: ch, ou, on and oi.

Phonics 1

J'apprends le Français

You will place France on a map and discover that many other countries around the world speak French too. You will then learn how to greet somebody using hello and goodbye, say how you are feeling as well as what your name is. You will be able to count to 10 and learn the name of French colours.

You will learn the name of common vegetables and understand how to say 'I would like...'. You will then progress to being able to order a kilo of your chosen vegetable and learn the word for please.

Les Légumes

Les Instruments

You will learn the name of up to ten instruments. You will be introduced to some French grammar and understand more about definite articles and determiners. You will be able to say 'I play' and use it in a small sentence.

By listening to a familiar traditional fairy tale, you will become more confident at listening to and reading texts in French. You will learn key words and phrases from the story as well as the name of ten main body parts.

Le Petit Chaperon Rouge

Our Key Stage 1 Languages Journey

Y2

Days of the week
and months of
the year

You will learn the names of these through songs, playground games and saying them every day with your class teacher.

You will also study The Very Hungry Caterpillar to help you learn them.

You will learn the names of three animals in particular. You will practice counting and colouring these animals using French words you already know.

Other animals will also be introduced to you in songs such as Old McDonald and Un éléphant.

Animals

Y1

Colours

You will learn the names of the primary colours to start with and then move onto secondary colours. This will be done through learning the arc-en-ciel song, doing treasure hunts and colour by number activities. We will also use well known stories to support our learning.

You will continue to learn the numbers to ten off by heart so you can rapidly re-call them both in French lessons and your maths lessons.
