

Mathematics Curriculum Map

Year Six

Year Group:

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 9	Week 10	Week 11	Week 12	Week 13
Autumn	Number												
	Number: Place Value			Number: Addition, Subtraction, Multiplication, Division				Number: Fractions					
Spring	Number							Measurement		Geometry			
	Number: Fractions (Decimals)		Number: Fractions (Percentages)	Number: Ratio		Number: Algebra		Measurement: Converting	Measurement: Perimeter, area and volume		Geometry: Properties of shapes and Angles		
Summer	Geometry	Statistics	Revision	SATs	Post SATs mathematical application projects and problem solving								
	Geometry: Position and Direction	Statistics (must be taught in foundation)	Revision	SATs									

N.B. Arithmetic lessons should be used to continually review and strengthen number skills taught, even when the area of focus moves to measurement, geometry and statistics.
