Unicef Article	Article 24 <i>Children have the right to the best health care possible, clean water to drink, healthy food and a clean and safe environment to live in. All adults and children should have information about how to stay safe and healthy.</i>	Article 15 <i>Children can join or set up groups or organisations, and they can meet with others, as long as this does not harm other people.</i>	Article 17 <i>Children have the right to get information from the Internet, radio, television, newspapers, books and other sources. Adults should make sure the information they are getting is not harmful. Governments should encourage the media to share information from lots of different sources, in languages that all children can understand.</i>
