

Year 2 Homework Grid – Spring Term 1 2026

Music

- Make an instrument which creates sounds similar to water/waves crashing.
- Learn the continents song (Oceania version). Get your grown ups to send us a video on Class Dojo.

Geography

- Draw a world map/find a template online. Label the 5 oceans (we can help you print one in school if you would like us to).
- List 5 facts about the hottest country in the world.

PSHE

- Make a healthy snack and write a few sentences about why it is a good choice. Take pictures.

DT

- Design your own finger puppets.

Once you have created your finger puppets write a story to share with the class. (We can act this out in class using the finger puppets you have created).
