Include the object, the soundwave and the ear.• Identify loud and quite sounds in your home, do a table to show your results.

Homework

Year 4 Homework Grid- Spring 1 2026

English

- Write a persuasive letter asking Mrs Gingell to extend the trim trail on the field. Use persuasive language such as:
 - I believe
 - This will make a big difference
 - Must
 - Important

See the example for an idea of what to write.

Computing

- Write a definition of algorithm, sprite and maze – what do these words mean in the world of programming?
- Design a maze on paper – you can use this for inspiration when you design the shape of your maze on the programming tool 'Scratch'.

DT

- Create your own board game – create the board and the characters for the game and remember to write a set of rules and instructions for how to play.
- Play a board game at home with your family – think about what you liked about the game...you could include some of these features in the game you design and make in school.

Maths

- Log onto Times Table Rock Stars **daily**
- Use 'Garage' for at least **21 minutes per week**

Create a times table game to help you learn your times tables in a fun, engaging way. This could be as simple as a pairs game where you match the factor and the product.

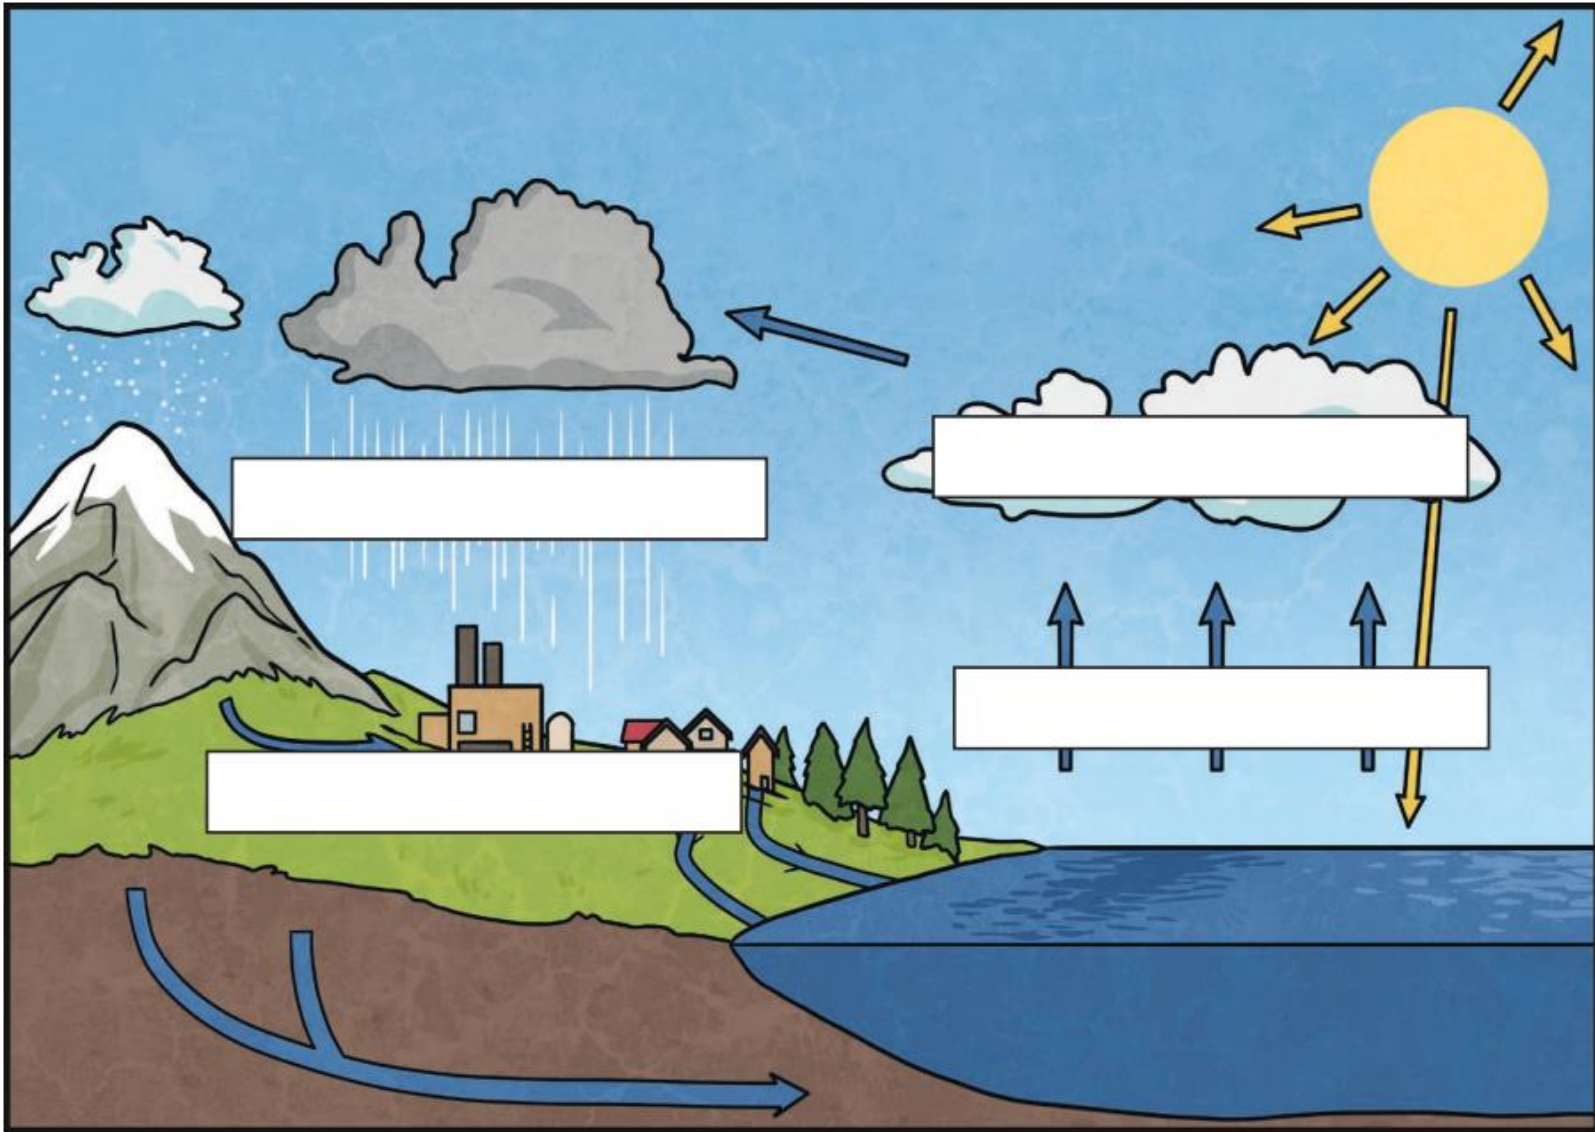

Geography- The Water Cycle

- Using the words below, label the diagram showing the process of The Water Cycle.

Science- Sound

- Identify loud and quite sounds in your home, do a table to show your results.

evaporation	condensation
precipitation	rivers and streams

Dear Mrs Gingell,

I am writing to ask if you could please **extend the trim trail on the field**. I strongly believe this would make playtimes more exciting and help pupils stay active and healthy.

At the moment, the trim trail is fun, but it is often crowded. If it were longer, more children could use it at the same time. This would make playtimes fair and enjoyable for everyone. Without a doubt, adding extra sections would encourage teamwork and improve fitness.

It is clear that exercise is important for children's health. By extending the trim trail, you would be giving pupils a safe and fun way to stay active. This will make a big difference to their happiness and confidence.

Please consider this idea. It is essential that we give all pupils the best opportunities to play and learn. Thank you for reading my letter—I hope you agree that this is a fantastic way to improve our school.

Yours sincerely,

[Your Name]
