

Year 6 Spring Term 1 Homework

Below are a number of activities for you to complete. Select one per week and bring it in on a Friday to share with your peers.
For every piece of homework you complete, you will get 5 dojo points.

Design a scavenger hunt

Write a written description of a variety of objects that someone could discover around your home. Remember to include specific details.

Design a hybrid (a mixture of two different things, resulting in something that has a little bit of both) animal - the rare zedonk, a hybrid of a donkey and a zebra.

Design a habitat (where you live) for your hybrid animal.
You may wish to create your habitat out of junk material.

Choose a type of amphibian, reptile and mammal. **Write a description** for each and then compare their characteristics.
Eg. Habitat, body covering, warm blooded/ cold blooded.

Write a letter as an evacuee during WWII.

Imagine you have been evacuated from Birmingham out to the countryside during World War II.
Write a letter to your family explaining what life is like as an evacuee.

Write a description of your animal which should include information about their habitat and diet.

You've been on a holiday to your dream destination – time to **write a review**.

You should include information about the accommodation, and facilities you used, any places you visited and recommendations for others. Think about how many stars you would give it.
