

**Central Out of School Club at The Oval** is a safe, happy environment with friendly staff to cover additional hours to suit each family's needs. Our club encourages all children to become happy, well-rounded, independent, self-confident individuals.

Within the club, separate activities are available for children to choose what they want to play or engage with. These include arts & crafts areas, construction, role play, outdoor play and much more. We believe this is your child's time to relax and explore through play while being closely supervised by our qualified and experienced staff. As well as your child having the opportunity to play independently or with others, they may also choose to join in one of our daily adult-led activities. During club time, a selection of fruit and drinks will be available, as well as a healthy breakfast and evening snack.
