

Science Curriculum: Whole School Long Term Plan

Key science concepts and working scientifically skills are taught according to the following whole school long term plan:

Science	Autumn 1		Autumn 2		Spring 1		Spring 2		Summer 1		Summer 2
Year 1	Humans	Plants	Season: Autumn	Animals	Season: Winter	Animals	Plants	Season: Spring	Materials		Season: Summer
Year 2	Humans, animals and plants	Living, dead and never been alive	Season: Autumn	Plants		Animals		Animals, hygiene, food and exercise	Materials	Season: Summer	
Year 3	Forces and magnets				Rocks		Animals, including humans		Plants		Light
Year 4	Electricity		Habitats week		Sound		Habitats week	Animals, including humans		Living things and habitats	
			States of matter								Habitats week
Year 5	Materials and their properties				Forces				Earth and space		Living things and habitats
											Animals, inc humans
Year 6	Electricity		Animals, including humans		Light		Living things and their habitats				Evolution and inheritance
